

VOJVODINAŠUME

HUNTING IN VOJVODINA SERBIA

PRICE LIST FOR THE GAME SHOOTING AND HUNTING SERVICES IN THE HUNTING
GROUNDS OF THE PUBLIC ENTERPRISE "VOJVODINAŠUME"
FOR THE HUNTING SEASON 2018/2019.

This pricelist shall be applicable as of 1st April 2018 until 31st March 2019.

GENERAL TERMS

All prices are specified including VAT 20%, except of trophy prices that are specified as net price / price including VAT 20%.

The hunt is charged in dinars and if the invoice is paid by remittance from abroad, the calculation is made based on re-calculation of dinar prices in EUR according to the official exchange rate of the National Bank of Serbia on the date of invoice issuing.

The price of deer trophy up to gold medal is calculated based on the weight of the trophy in kilos, and the price of deer trophy in the gold medal is calculated based on CIC points.

The trophy price for the fallow-deer shall be estimated according to the trophy weight expressed in kilograms.

The trophy price for the roe-deer according to the weight expressed in grams.

The trophy price for the wild boar and mouflon game according to the trophy length expressed in centimeters.

The length is acquired from the trophy sheet (median length).

BTTO-weight is acquired from the trophy sheet form - the weight of the trophy with the whole skull and the upper jaw, without cutting (in roe-deer 90 grams shell be deducted) within the 24 hours after trophy boiling.

A tourist-hunter shall receive the shot game trophy. When hunting without trophy, the tourist-hunter shall pay the shooting price. The trophy price, as well as the shooting price, shall not include the shot game meat that is (if the tourist-hunter wants to take it) additionally calculated "in pelt" (in roe-deer, red-deer, fallow and mouflon game weight without head, entrails and legs, and in wild boar game without entrails) according to the Price-list of the big game meat "in pelt" of the Public Enterprise "Vojvodinašume".

A trophy certificate shall be issued for all shot game and for the trophies in the medal category a hunter shall be additionally awarded a medal (gold, silver or bronze) pursuant to the CIC classification.

The criteria for awarding the medal category to the trophies estimated according to CIC points:

	Bronze	Silver	Gold
Red-deer	170	190	210
Wild boar	110	115	120
Roe-deer	105	115	130
Fallow-deer	160	170	180
Mouflon	185	195	205

The price of shooting is stated for one whole game, in skin or in feather. The price 'just the shooting of a small game' refers exclusively to foreign hunters- tourists, who are not allowed to take the shot game out of our country, in other words bring it to their homeland; the meat of the small game in skin or in feathers in that case remains the property of the hunting grounds.

HUNTING TERMS AND CONDITIONS

Hunting dates are considered booked only after the reservation in writing (fax or e-mail) and the receipt on the advanced payment made, based on the invoice issued by Public Enterprise „Vojvodinašume”. Unless the client makes the advanced payment, within the deadline as stated in the pre form invoice, it will be considered to quit from the reservation of the requested dates and game for hunting.

The advance payment for individual hunt on big game amounts (per head) to:

deer		
in the hunting season for deer in roar	60.000,00 RSD	approx. 504 EUR
beyond that period	30.000,00 RSD	approx. 252 EUR

18.000,00 RSD approx. 151 EUR	18.000,00 RSD approx. 151 EUR	2.400,00 RSD approx. 20 EUR

Wild boar drive hunt

The advanced payment for individual hunting on small game, and the program for group hunting on small game amounts to 30% of the price of the planned hunt. For programmes of wild boar drive hunting the advance amounts to 30% of the planned hunt and the remaining amount paid in full within 7 days from the hunt realisation the latest.

For programmes of wild boar drive hunting in open parts of the hunting grounds the advance amounts to 36.000,00 RSD (**approx. 302 EUR**), for the group per day of hunting.

Reservation shall include: name and surname of each hunter - date and place of birth - passport number - type of hunting - period of hunting in days - accommodation (hotel, hunting lodge, type of the room) - date, place and time of arrival (airplane or car) - information on hunting weapons (type, serial number, caliber) - telephone and fax number for contact.

If the booked hunting is cancelled within the period that is longer than 60 days, 50% of the value of the advance payment is charged and if it is cancelled within the period of less than 60 days, the advance payment is retained.

Before the beginning of a hunt, each hunter has to have the following valid document with him/her: identity card or passport, hunter's card of the Republic of Serbia for the current hunting season and weapon licence. In case the hunter does not possess the hunter's card, it is possible to purchase it in the hunting ground, before the hunting starts.

According to Art. 76 of the Law on Game and Hunting it is prohibited to hunt the game protected by the closed hunting season:

- using a bow and an arrow, and a crossbow in open hunting resorts, as well as in fenced hunting resorts where such a form of big game hunting is not set forth by the hunting master plan;
- small game using rifled barrel rifles, non-rifled barrel rifles accepting more than two bullets, as well as semi-automatic non-rifled barrel rifles that have not been reduced to two bullets;
- big game using non-rifled barrel rifles, except for wild bores.

According to Art. 77 of the Law on Game and Hunting, it is prohibited to hunt:

- european deer and wild boar, except for the offspring of those species using hunting ammunition of the calibre below 7 mm and bullet weight of less than 9.00 gr;
- wild boar using ammunition for non-rifled barrels, except for ball bullets;
- fallow deer and mouflon, except for the offspring of those species, using hunting ammunition of the calibre below 6.2 mm and bullet weight of less than 6.0 gr;
- roe deer and offspring of european deer, wild boar, fallow deer and mouflon using hunting ammunition of the calibre below 5.6 mm and bullet weight of less than 3.5 gr.

The hunt is realised in accordance with the Rulebook on proclaiming game species protected by the closed hunting season (Official Gazette of the Republic of Serbia no. 9/12 dated February 5th, 2012.;no. 67/15 dated July 29th, 2015. and no. 75/16 dated September 7th, 2016).

In the hunting-ground, immediately prior to hunting, a tourist-hunter shall specify the trophy structure, as well as the number of heads he wishes to shoot. A tourist-hunter can shoot the selected head only after permission of the professional hunting guide.

The hunter-tourist undertakes to recognize in an individual hunt of trophy game with an expert escort, the following tolerance- error:

- for deer $\pm 10\%$ of the estimated trophy value in kg, in other words in ± 7 CIC points for the deer trophy in gold medal.
- for wild boar $\pm 15\%$ of the estimated trophy value in cm.
- for roebuck $\pm 20\%$ of the estimated trophy value in gr.
- for fallow buck $\pm 10\%$ of the estimated trophy value in kg.
- for mouflon ram $\pm 10\%$ of the estimated trophy value in cm.

Wounding shall be charged only for the big game as following:

- for the trophy game - 50% of the trophy value as estimated by the hunting-guide. If the wounded trophy game is found, a tourist-hunter shall pay for the price difference to the full trophy value
- for the game excluding the trophy - 100% amount shall be charged.

In case of forbidden shooting of protected game or shooting the game during closed season the loss amount is calculated according to the Regulations of the Ministry of Agriculture, Forestry and Water Management of the Republic of Serbia.

During hunting, tourist-hunters shall be held responsible for their actions, pursuant to the Law, and obliged to pay special attention as to where and how they shoot.

During their stay in hunting grounds of the Public Enterprise "Vojvodinašume" a tourist-hunter is insured against injuries acquired while hunting.

Upon request, transport of the trophies from hunting ground to the specified destination shall be arranged. All export- and transportation expenses shall be borne by the tourist-hunter.

According to Art. 72 of the Law on Game and Hunting (Official Gazette of the Republic of Serbia no. 18 dated March 26th, 2010) it is prohibited to take out of the country the game trophies, stuffed game and their stuffed parts as trophies, the value of which expressed in CIC points exceeds the trophy values of national champions: 248.55 CIC point for deer, 196.07 CIC points for fallow deer, 207.25 CIC points for roebuck, 242.15 CIC points for mouflon and 142.30 CIC points for wild boar.

The costs of issuing the Veterinary Certificate for exporting a trophy are additionally paid to the budget of Republic of Serbia, independently or through Public Enterprise "Vojvodinašume" - the prescribed administrative tax fee for issuing a veterinary certificate to export trophies and the fee for the performed veterinary and sanitary inspection for the parcels of horn.

Documents

To visit Serbia you need a passport with a validity period of at least 90 days from the entry date.

Cost Accounting And Payment

A foreign citizen may take into and out of Serbia the effective foreign currency up to the amount of 10.000 EUR without declaring it. If he takes into the country the amount exceeding 10.000 EUR, he shall be required to fill in the confirmation form, certified by the authorized customs authority. The confirmation shall be considered valid until he exits the country for the first time. After presenting the confirmation to the customs authority, a foreign citizen shall be allowed to take out of Serbia the effective foreign currency up to the amount stated. Tourist-hunters who would like to pay for their hunting expenses in EUR should take the bank confirmation form on the effective foreign currency taken into the country (only amounts exceeding 10.000 EUR), on the basis of which they shall open a foreign currency account with one of the banks in Serbia. Foreign citizens can not pay for goods and services in cash - foreign currency. Payment shall be made in dinars, in cash, which a foreign citizen obtained by exchanging the effective foreign currency at the exchange office, or by credit card. It is possible to make payment in foreign currency from the foreign currency account in banks.

Weapons And Ammunition

For the temporary import of hunting rifles you need to have a European firearms pass as well as the "invitation form" issued by the organizer, i.e. PE "Vojvodinašume", which must contain all data about the weapons. Tax on weapon of ca 30 EUR must be paid at the customs by each hunter. One tourist-hunter shall be allowed to temporarily import maximum two hunting rifles of different calibers.

If the tourist-hunter arrives by plane, the assistance of the guide-interpreter or organizers representative is requested at the border crossing (airport).

Hunting Dogs

If a tourist-hunters takes into the country up to 5 hounds, each hound must have its own passport. If more then 5 hounds are taken, the hunter must provide the veterinary certificate on examination of the animals before the trip.

Border Crossings

The closest border crossings equipped with veterinary stations (trophy export, own hounds) are: Beograd airport; to Croatia: Batrovci-Bajakovo; to Hungary: Horgos-Röszke.

Export of Trophies

Documents necessary for export of trophies are as following: certificate of payment - invoice, veterinary certificate, trophy certificate and certificate that trophy is not subject to export-ban.

The trophies that are exported from Serbia, if paid off the foreign currency account in banks are VAT-free. For the trophies paid in RSD (cash or credit card) tourist-hunters are entitled to VAT refund.

The VAT refund

Foreign hunters shall be entitled to VAT refund (return) for the shooted trophies, which they, after the hunting, take out of the country in their personal luggage. The trophy value including VAT has to be at least 200 EUR in the equivalent amount in dinars. The procedure for certification of the VAT return form and payment shall be performed in compliance with the Serbian legislation, which is in force at the time.
