# GENERAL TERMS

## Rezervation and payment

All process are specified including VAT 20% or 10%, except of trophy pricess that are specified as net price / price including VAT 20%.

The hunt is charged in dinars and if the invoice is paid by remittance from abroad, the calculation is made based on re-calculation of dinar prices in EUR according to the official exchange rate of the National Bank of Serbia on the date of invoice issuing.

The price of deer trophy up to gold medal is calculated based on the weight of the trophy in kilos, and the price of deer trophy in the gold medal is calculated based on CIC points. The trophy price for the fallow-deer shall be estimated according to the trophy weight expressed in kilograms. The trophy price for the roe-deer according to the weight expressed in grams. The trophy price for the wild boar and mouflon game according to the trophy length expressed in centimeters. The length is acquired from the trophy sheet (median length). BTTO-weight is acquired from the trophy sheet form - the weight of the trophy with the whole skull and the upper jaw, without cutting (in roe-deer 90 grams shall be deducted) within the 24 hours after trophy boiling.

Hunting dates are considered booked only after the reservation in writing (fax or e-mail) and the receipt on the advanced payment made, based on the invoice issued by Public Enterprise „Vojvodinašume”. Unless the client makes the advanced payment, within the deadline as stated in the pre form invoice, it will be considered to quit from the reservation of the requested dates and game for hunting.

The advance payment for individual hunt on big game amounts (per head) to:

### ➤ deer

- in the hunting season for deer in roar approx. 509 EUR 60.000,00 RSD
- beyond that period approx. 254 EUR 30.000,00 RSD

### ➤ roe-buck

approx. 51 EUR 6.000,00 RSD

### ➤ fallow buck

approx. 153 EUR 18.000,00 RSD

### ➤ mouflon

### ➤ game without trophy

approx. 20 EUR 2.400,00 RSD

### ➤ wild boar drive hunting

- For programmes of wild boar drive hunting the advance amounts to 30% of the planned hunt and the remaining amount paid in full within 7 days from the hunt realisation the latest.
- For programmes of wild boar drive hunting in open parts of the hunting grounds the advance amounts to 305 EUR (36.000,00 RSD), for the group per day of hunting.

Reservation shall include: name and surname of each hunter - date and place of birth - passport number - type of hunting - period of hunting in days - accommodation (hotel, hunting lodge, type of the room) - date, place and time of arrival (airplane or car) - information on hunting weapons (type, serial number, caliber) - telephone and fax number for contact.

If the booked hunting is cancelled within the period that is longer than 60 days, 50% of the value of the advance payment is charged and if it is cancelled within the period of less than 60 days, the advance payment is retained.

Before the beginning of a hunt, each hunter has to have the following valid document with him/her: identity card or passport, hunter's card of the Republic of Serbia for the current hunting season and weapon licence. In case the hunter does not possess the hunter's card, it is possible to purchase it in the hunting ground, before the hunting starts.

## Hunting weapons

The hunter's personal weapons shall correspond in caliber to the ammunition used for the hunted game in accordance with hunting practices and ethics.

According to Art. 76 of the Law on Game and Hunting it is prohibited to hunt the game protected by the closed hunting season:

- using a bow and an arrow, and a crossbow in open hunting resorts, as well as in fenced hunting resorts where such a form of big game hunting is not set forth by the hunting master plan;
- small game using rifled barrel rifles, non-rifled barrel rifles accepting more than two bullets, as well as semi-automatic non-rifled barrel rifles that have not been reduced to two bullets;
- big game using non-rifled barrel rifles, except for wild bores.

The pricelist in EUR presents only the approximate prices. The only valid pricelist is the one in national currency dinars (RSD), which is currently in force. The exchange rate of 1 EUR = 118,00 dinars was used for calculating of prices expressed in dinars in this Pricelist. The dinar exchange rate is subject to constant changes. The valid pricelist in dinars and currency converter can be seen at [www.vojvodinasume.rs](http://www.vojvodinasume.rs)

According to Art. 77 of the Law on Game and Hunting, it is prohibited to hunt:

- european deer and wild bore, except for the offspring of those species using hunting ammunition of the calibre below 7 mm and bullet weight of less than 9.00 gr;
- wild bore using ammunition for non-rifled barrels, except for ball bullets;
- fallow deer and mouflon, except for the offspring of those species, using hunting ammunition of the calibre below 6.2 mm and bullet weight of less than 6.0 gr;
- roe deer and offspring of european deer, wild bore, fallow deer and mouflon using hunting ammunition of the calibre below 5.6 mm and bullet weight of less than 3.5 gr.

The hunt is realised in accordance with the Rulebook on proclaiming game species protected by the closed hunting season (Official Gazette of the Republic of Serbia No. 9/12 dated February 5th, 2012.; No. 67/15 dated July 29th, 2015. and No. 75/16 dated September 7th, 2016).

## Shooting

A tourist-hunter shall receive the shot game trophy. When hunting without trophy, the tourist-hunter shall pay the shooting price. The trophy price, as well as the shooting price, shall not include the shot game meat that is (if the tourist-hunter wants to take it) additionally calculated "in pelt" (in roe-deer, red-deer, fallow and mouflon game weight without head, entrails and legs, and in wild boar game without entrails) according to the Price-list of the big game meat "in pelt" of the Public Enterprise "Vojvodinašume".

A trophy certificate shall be issued for all shot game and for the trophies in the medal category a hunter shall be additionally awarded a medal (gold, silver or bronze) pursuant to the CIC classification.

The criteria for awarding the medal category to the trophies estimated according to CIC points:

	<b>Bronze</b>	<b>Silver</b>	<b>Gold</b>
Red-deer	170	190	210
Wild boar	110	115	120
Roe-deer	105	115	130
Fallow-deer	160	170	180
Mouflon	185	195	205

In the hunting-ground, immediately prior to hunting, a tourist-hunter shall specify the trophy structure, as well as the number of heads he wishes to shoot. A tourist-hunter can shoot the selected head only after permission of the professional hunting guide.

The hunter-tourist undertakes to recognize in an individual hunt of trophy game with an expert escort, the following tolerance- error:

- for deer  $\pm 10\%$  of the estimated trophy value in kg, in other words in  $\pm 7$  CIC points for the deer trophy in gold medal.
- for wild boar  $\pm 15\%$  of the estimated trophy value in cm.
- for roebuck  $\pm 20\%$  of the estimated trophy value in gr.
- for fallow buck  $\pm 10\%$  of the estimated trophy value in kg.
- for mouflon rame  $\pm 10\%$  of the estimated trophy value in cm.

Wounding shall be charged only for the big game as following:

- for the trophy game - 50% of the trophy value as estimated by the hunting-guide. If the wounded trophy game is found, a tourist-hunter shall pay for the price difference to the full trophy value
- for the game excluding the trophy - 100% amount shall be charged

In case of forbidden shooting of protected game or shooting the game during closed season the loss amount is calculated according to the Regulations of the Ministry of Agriculture, Forestry and Water Management of the Republic of Serbia.

During hunting, tourist-hunters shall be held responsible for their actions, pursuant to the Law, and obliged to pay special attention as to where and how they shoot.
