Ref. No: LIFE22 NAT/AT/101113557-TD04-T3.8, T8.2

Subject: Market research: Expert services for Study of hydrotechnical arrangement of Monoštorski rit with hydrologic-hydraulic study and research for project: LIFE RESTORE for MDD

Dear Madam/Sir,

Public Enterprise "Vojvodinašume" PETROVARADIN is currently implementing a project titled "*Preserving and restoring floodplain forest habitats along Mura-Drava-Danube reivers*", Acronym: LIFE RESTORE for MDD, Reference number: LIFE22 NAT/AT/101113557 in the framework LIFE Programme.

At this stage we are conducting market research for some of the project activities. For the purpose of ensuring proper project implementation, we would like to invite your firm to submit a confirmation of interest for the following procurement: **Expert services for Study of hydrotechnical arrangement of Monoštorski rit with hydrologic-hydraulic study and research for project: LIFE RESTORE for MDD.**

The Consultant will be required to provide the following services:

- Development of the water regime simulation model,
- Elaboration of the study on dynamics of underwaters based on sensors monitoring,
- Hydrological monitoring.

The service target area is part of the Special Nature Reserve "Gornje Podunavlje", the Monoštorski Rit in Vojvodina, Serbia.

Please consider that Candidates (either as individual legal entities or as a consortium) participating in the upcoming public procedure (tender) must fulfill the following **selection criteria**:

1. Economic and financial capacity of the tenderer:

- The average annual turnover of the tenderer must exceed the annualized maximum budget of the contract i.e. 240.000,00 EUR divided by the initial contract duration in years, where this exceeds 1 year;

2. Professional capacity of the tenderer

- At least 15 staff currently work (full-time or engaged) for the tenderer in fields related to this contract;

3. Technical capacity of candidate.

- The tenderer has provided services with a budget of at least that of this contract accumulated from maximum 5 contracts implemented in similar fields at any moment during the last three years.
